

Acme Corp – Remote Work Policy (Effective Jan 2026)

1. Eligibility

Full-time employees who have completed their 90-day probationary period are eligible to work remotely up to 3 days per week, subject to manager approval. Interns and part-time contractors are NOT eligible for remote work under this policy and are expected to work on-site for the duration of their placement, unless an accommodation has been separately approved by HR.

2. Approval Process

Employees must submit a remote work request through the HR portal at least 5 business days in advance. Managers are expected to respond within 2 business days. Standing remote arrangements (recurring weekly days) must be renewed every 6 months.

3. Equipment

Acme Corp provides a standard remote work stipend of 250 EUR per year for home office equipment. Employees are responsible for maintaining a secure, private internet connection and must use the company VPN when accessing internal systems remotely.

4. Core Hours

All remote employees must be reachable via Slack and available for meetings between 10:00 and 16:00 CET, regardless of their chosen remote work days.
